Why Leave No Trace Trainer Course?

Gives participants the information, tools, and resources they need to bring an effective outdoor program and sound ethics and principles to apply to family outings, unit (Pack/Troop/Crew/Ship) activities, outings, day trips, and overnight campouts, no matter the age group of the participants.

The Course will provide ample resources for youth holding or considering holding the position of Outdoor Ethics Guide - Junior Leadership Position within a Troop

- The outdoor ethics guide helps the troop plan and conduct an outdoor program that emphasizes effectively practicing the principles of outdoor ethics.
- The guide works to help Scouts improve their outdoor ethics decision-making skills to minimize impacts as they participate in outdoor activities.
- He supports Scouts who are working to complete the relevant requirements for the Tenderfoot, Second Class and First Class ranks.
