### **Please Note:**

- 1) Scouts are to clean area before and after sale. Area must be kept neat. Do not use trash receptacles at location for cardboard. Bring the flattened cardboard back to the warehouse when you settle.
- 2) Do not give children money to purchase anything. We should not have the boys and girls going in and out of the store at the host location. All scouts should have eaten prior to coming out. Candy is not food.
- 3) During selling times you may use donation dollars to get the scouts something to drink. Water or Gatorade only! Sugar drinks will just make them thirstier. Ask the Scout Supervisor to assist with this.
- 4) Donation dollars may be used AFTER the scouts are finished for McDonalds, Burger King, etc. Please limit amount used to no more than \$5.00 per child and please, no candy.
- 5) **THERE ARE NO TIPS!** Statements made by customers such as “Keep the change”, or, “You keep the popcorn” are considered donations. All donations are put to good use in the support of scouting.
- 6) If, when you get to your assigned location, you find another scout group selling, please do not engage them or the store manager. This happened infrequently last year and may happen again. Call Michael Beck on his cell and he will give you an alternate location. If you are approached by another scout group, you may give his number to them and he will do the same for the other group.
- 7) If a Scout Supervisor has been placed with you, he/she is there to help you. Please stay back and give the kids some room. I am expecting the older Scouts to show the new and younger youth how to merchandise, train in the presentation, and help to keep all scouts moving and motivated.
- 8) Please do not use a chair or table at the location. These items take up a lot of room and work against us.

**Have fun watching your scouts grow! If you should have any questions or concerns, contact Michael Beck and we will help in any way that we can.**
