

Become a BSA Certified Angler Instructor (CAI) ***National Blended Format (online/face to face) Course***

This course goal is to help improve council, district and unit fishing programs.

This is a special blended format course that will consist of 5 online modules and 1 face to face module.

We will meet on Mondays in November 2020 from 7:00 to 9:00pm with Module 5 to be held at the John E. Pechmann Fishing Education Center, 7489 Raeford Road, Fayetteville, N.C. 28304 on Saturday December 12, and at other locations (time and place to be determined).

Sign up and you can get qualified as a BSA Certified Angling Instructor, learn fundamental fishing and fly-fishing skills, learn how to best teach Scouts those fishing skills, and to have fun! A key focus of the training is to provide participants with knowledge on how to improve your council's fishing resources, find local expertise, select the correct equipment at value prices and become familiar with local resources

Who should attend?

- Council Camp Program Directors
- Camp Fishing Staff
- Merit Badge Counselors
- Cub Scout Day Camp Staff
- Unit leaders
- Scouts, Venturers and Sea Scouts (age 15 and older)

Registration is free. Registration closes October 31, 2020
