

Webeloree 2021
“Webelos Lost in Space”
March 12-14
Camp Charles
8396 Boy Scout Rd, Bailey, NC 27807

This is the information packet for the 2021 Webeloree. Contained in this packet is the information and forms to prepare your Webelos for the Webeloree. This year’s Webeloree is the “Webelos Lost in Space”. All the events will be geared toward space, rockets, etc...

The cost per Webelos is __15.00____
Leaders, parents, and scouts is __15.00_____

The cost will be same regardless if you stay the whole weekend, one night, or just for the day.

We be following the current COVID safety as put out by the East Carolina Council. We will be following the rules and guidelines as stated by the East Carolina Council
<https://3nsikw3604w6250tgt2k0zas-wpengine.netdna-ssl.com/wp-content/uploads/sites/29/2020/08/ECC-Camping-Acknowledgement-form.pdf>

Registration will be on Tentaroo. (<https://www.eccbsa.org/event-flyers>)

TEAM Events:

There will be no ‘advance notice’ on exactly what the Team Events are going to be. None of the Team Events will require any advance training or knowledge. If there is specific knowledge that the participants will need, they will be taught it at the station prior to the start of judging. Webeloree is a fun camping trip, not a “final exam”. **Exception:** there IS going to be the traditional ‘fire building’ event. Make sure all of your Webelos know Fire Safety!

All Team Events will be 25 minutes (Webelos enter area, complete event, cleanup, and leave within 25 minutes) and 5 minutes for travel between stations. All Scout Teams move between stations simultaneously. All Morning Events start at 9am, conclude around Noon. All morning events are ‘divided patrol’ based. (All Webelos divided into equal size Patrols with no Pack affiliation)

All Team Events will be led by Scouts BSA Troops.

Pack Events:

Afternoon events will be Pack-based, Staff conducted. (Volunteers Welcomed!) Pack Events will be conducted throughout the day.

Uniform Inspection:

(Saturday Morning)

Conducted per official BSA Uniform Inspection Form 34283A. Scores will be averaged for the entire pack, using the number of Scouts on the Final Roster.

Dutch Oven Event:

(Saturday afternoon)

Participating Webelos Leaders and/or (Asst) Cubmasters will make a complete recipe in a Dutch Oven from scratch (ie: Apple Crisp apples = pre-peeled apples in a bag...not the entire mix of apples, brown sugar, oatmeal, etc. in a bag) The Dutch Oven recipe must contain applesauce. Applesauce was the first food eaten in space by John Glenn aboard Friendship 7 in 1962.

If enough Scouts BSA youths wish to compete, I will open up a Scout Dutch oven cook off. Only youth members will be allowed to compete. The above rules also apply.

Campsite Inspection:

(Saturday afternoon)

Campsite to be inspected for neatness / cleanliness and organization (no set pattern, just that there IS a pattern) See the attached Campsite inspection form.

Webelos Pack Events:

The Webelos pack event is going to be rockets. Be a three part event: 1) Appearance of Rockets; 2) Total Distance; 3) Accuracy. See information in the packet about the rocket events.

Campfire Skit/Song/Story:

Scored by anonymous judges on Crowd Appeal and Performance Skills. There will be an Arrow of Light Ceremony / Cross over ceremony for those Webelos who are crossing over or about to cross over.

If you have any questions, please contact me by any of the methods listed below.

Rocket Launch

The afternoon Pack Competition will be paper rockets launched from an air launcher. We will be using the below launcher for the event.

<http://techcrunch.com/2010/04/23/this-weekend-make-your-own-compressed-air-rocket/>

The link contains the video of the launcher and directions to make rockets. I will provide the launcher for this event the packs are responsible for their own rockets. There will be a minimum of four rockets needed for the competitions. (I advise make several more in case rockets are damage during the events).

The first event is going to judging on how well the rockets look. Points for color, decoration, etc..

The second event is going to be distance. Each Pack will get four launches. The distance for each launch will be added up for a final total distance.

The third event is accuracy. Each pack will launch one rocket in to the field. The other three rockets will be fired trying to land as close as they can to the first rocket.

Pictures must be provided showing the youths building and working on the rockets. Each Pack is responsible for safety goggles for each of their members. No boy or adult will be allowed around the launcher without safety goggles.

Scouts BSA Troops ONLY: The Scouts BSA Troops will have a competition as well. Each troop will build a model rocket which the body is made of cups (either Styrofoam or red solo cup type) around the engine tube. The Troop will provide their own rocket engine (must be model rocket engine B or below, no homemade engines will be allowed). The rocket must be able to attach to a rocket launch stand. The launcher will be provided. The rockets will be inspected for safety before being allowed to launch. The Troops will fire their rockets after the completion of the Webelos Pack Events. The rockets will be judged based on a combination of looks, height reached, and functionality.

Schedule

Friday:

17:00 Gate opens

21:00 Leaders Meeting

22:00 Taps

Saturday:

7am: Reveille

8:00am Flag Raising

8:30am: Uniform Inspection
