Registration will be on Tentaroo soon. (<https://www.eccbsa.org/event-flyers>)

TEAM Events:

There will be no ‘advance notice’ on exactly what the Team Events are going to be. None of the Team Events will require any advance training or knowledge. If there is specific knowledge that the participants will need, they will be taught it at the station prior to the start of judging. Webeloree is a fun camping trip, not a “final exam”. **Exception:** there IS going to be the traditional ‘fire building’ event. Make sure all of your Webelos know Fire Safety!

All Team Events will be 25 minutes (Webelos enter area, complete event, cleanup, and leave within 25 minutes) and 5 minutes for travel between stations. All Scout Teams move between stations simultaneously. All Morning Events start at 9am, conclude around Noon. All morning events are ‘divided patrol’ based. (All Webelos divided into equal size Patrols with no Pack affiliation)

All Team Events will be led by Scouts BSA Troops.

Pack Events:

Afternoon events will be Pack-based, Staff conducted. (Volunteers Welcomed!) Pack Events will be conducted throughout the day.

Uniform Inspection:

(Saturday Morning)

Conducted per official BSA Uniform Inspection Form 34283A. Scores will be averaged for the entire pack, using the number of Scouts on the Final Roster.

Dutch Oven Event:

(Saturday afternoon)

Participating Webelos Leaders and/or (Asst) Cubmasters will make a complete recipe in a Dutch Oven from scratch (ie: Apple Crisp apples = pre-peeled apples in a bag...not the entire mix of apples, brown sugar, oatmeal, etc. in a bag) The Dutch oven cook off is Pizza. A quick easy meal for first responders working their shift.

If enough Scouts BSA youths wish to compete, I will open up a Scout Dutch oven cook off. Only youth members will be allowed to compete. The above rules also apply.

Campsite Inspection:

(Saturday afternoon)

Campsite to be inspected for neatness / cleanliness and organization (no set pattern, just that there IS a pattern)

Webelos Afternoon Events:

Visit and enjoy hands on activities with various first responder units from our local area.

Campfire Skit/Song/Story:

Scored by anonymous judges on Crowd Appeal and Performance Skills. Followed by movie night under the stars.
